Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant's representative and the examiner discussed amending claims 23 and 25 to patentably distinguish applicant's invention over the prior art. Applicant's representative agreed to add the limitation that the system and method uses density differences to separate by gravity cleaner portions from dirtier portions and agreed to cancel claims 24 and 26. A summary of the agreed upon changes is provided in the attached examiner's amendment.
